Dated at Phoenix this 26th day of March, A. D. 1912.

A BICYCLE.

Is one of the most useful as well as most inexpensive steeds on earth. It does not have to be fed as a horse, nor kept going with gasoline or electricity. All that is necessary is a well developed set of leg muscles, the bicycle, and now and then a little something called "Do Good" sold by Griswold, to stop a teaky tire, and you are off for a Sunday in the country.

IN NEW YORK CITY

You will find Hotel Cumberland at Broadway and Fifty-fourth street, near Central Park, an ideal location. In the retail shopping and theatre district, with the subway, elevated and surface cars at hand. A handsome, modern, beautifully furnished hotel with one of the best restaurants in the city, but moderate in prices. Rooms with bath, \$2.50 per day up. Harry P. Stimson, manager

A MEETING

of the Arizona Producers company will be held at school house No. 31, which is located at the junction of Tempe road and Grand canal, on Monday night, 8 p. m. sharp. An invitation to the general public. This meeting is called to discuss ways and means to find a better market for general farm produce. This is of a special interest to all farmers. Come out and hear what is said.

AN ABSTRACTOR.

Will tell you the exact condition of the title to a property that you think of buying. He is qualified by training to find any flaws or shortcomings that may exist in it. In choosing a firm to look after this business for you, it is quite necessary that you get one that has no flaw to its title to honesty, reliability and fair dealing. The Arizona Abstract and Title

"LOOK"

We have some good bargains in new, modern cottages well located and up-to-date in every respect. Also some choice 5 and 10 acre tracts just right for a nice little home place. Would be pleased to show you.

THE CAMP-TANNEHILL Co.
33 E. Adams St.

Co. has established a reputation by many years of careful work.

ARE YOU THINKING OF GETTING A FENCE?

If you are, investigate the Ellinwood fencing. Its small and permanent mesh is made by weaving one continuous wire throughout the fabric. The mesh or stay wires are so interwoven that slipping is impossible. Built for general use, in one of the six heights made, answers every purpose of a perfect fence for horses, cattle, hogs, pigs, and sheep. Sold by Talbot and Hubbard, at "The sign of the Dog."

MOTION PICTURES.

The very best moving pictures in Phoenix, without any exception are to be seen at the Savoy. They are clear and do not have that distressing glitter so common to most photographic plays. The pictures are also larger and of the most recent release, the operator of the machine is an expert and if you want to see hurry pictures that you will enjoy, go to the Savoy.

A NEW STORE.

That will sell excellent goods at reasonable prices and employs men for salesmen who are courteous and obliging, soon demonstrates that the old firms haven't everything grabbed. The new furniture store at 335 W. Washington St. has all of these qualifications and it is not surprising to note that it had the contract for furnishing the state capitol building. The Barrows-Pooshee Co. also makes a specialty of packing for people who are about to move.

THE ALDOOFNESS OF ART.

"What are your politics?" "I don't dare tell. I'm the leader of the best brass band in town, and am liable to get a good job from either party."—Washington Star.

A PARKED STREET.

Or a beautiful lawn add greatly to the attractiveness of a city. Many people grow discouraged because the trees, shrubs and vines they plant do not thrive well. If they consult a horticultural specialist who has experienced in the various trees and flowers and knows what will grow in this section of Arizona, their gardens and yards would be a joy to them.
